From the Pastor's Desk

Dear Parishioners and Friends of ISJ,

“This is the day the Lord has made and we rejoice and we are glad.”

With this celebration of the Sunday Eucharist we begin the Tenth Week in Ordinary Time. For the next several weeks the Gospel will deal with the theme of discipleship – what it meant to be a follower of Jesus and what it means now. As I mentioned in last Sunday's Letter, St. Matthew's Gospel will be our guide this summer as we follow Jesus step by step as He goes about healing and preaching, suffering and dying.

As I have said many times, there is nothing “ordinary” about Ordinary Time. If today were not Sunday, we would be celebrating the Feast of the Patron Saint of Cancer, St. Michael of the Saints. Every Monday, our Parish prays special novena prayers for those afflicted with this terrible illness. I don't think there is a family on the face of God's green earth that has not been touched by cancer. When I was stationed in Asbury Park I met a dear parishioner who had just been diagnosed with breast cancer and was devastated by the prognosis. Throughout the long regime of chemo and radiation, she always held on to the prayer card and Holy Picture of St. Michael of the Saints. Happy to say she beat the odds and is now living a cancer-free life with her husband and three adult children. When her son received the Sacrament of Confirmation he took the name “St. Michael of the Saints” as his Confirmation name. Our Saint is also invoked by those who suffer from heart disease.

At one point in his life, Our Lord appeared to St. Michael and they mystically exchanged hearts, Michael's heart beating in the chest of Jesus and the Heart of Jesus in St. Michael. I have often said that those who minister in the Church serve with a heart like Jesus. St. Michael of the Saints literally served and loved with the Heart of Jesus. When he was canonized a Saint in 1862 (during the American Civil War) the Trinitarian Order presented the Holy Father, Blessed Pope Pius IX with an altar antependium, a frontal which decorates the altar on more solemn Feasts. It is rich embroidery, in red tapestry, graced on each of the four corners with the Trinitarian red and blue Cross.

Every time you see Papal Masses on EWTN or on any TV station when the Liturgy is being celebrated in St. Peter's Square or inside for Holy Week and Easter that frontal is still being used. A wonderful gift on behalf of our Order in thanksgiving for giving the world St. Michael of the Saints to intercede for all those who suffer from heart and cancer illness. Pray often to this powerful Intercessor before the Throne of God to pray on our behalf.

Another very popular and powerful Saint that we celebrate this Friday, June the 13th is St. Anthony of Padua. I recently read an article that stated St. Anthony is THE most prayed to Saint in the entire Church. More churches around the world bear his name than any other! In many areas, it is popular to bless bread in his honor and distribute it to the faithful after Mass. That tradition stems from an incident in Paris in the late 1800's. A woman who owned a small shop had a great devotion to St. Anthony. One day her son was playing in front of the store with his friends when one of them threw a stone and it hit the little boy's eye. He lost sight in the eye and his Mother prayed fervently to St. Anthony, making the vow that if her son should be able to see again, she would be sure that there would always be enough bread in the basket she kept before the statue of St. Anthony to feed the poor of Paris. The young boy regained his sight and, faithful to her promise, there was always enough bread to distribute. In remembrance of that event bread is blessed in St. Anthony's honor. Of course St. Anthony's most famous claim to fame is that he is the Patron of lost and found. “O good St. Anthony, come around, for something's lost that must be found.”

Also what makes this St. Anthony's Day so joyful for our Parish is that Father Gerard arrives at St. James Rectory to take up residence as the Master of Novices, those three young men who wish to enter our Trinitarian Order. We wish Father Gerard well as well as the novices and welcome them to our Parish. At a later date we can talk about a little celebration and reception.

Finally, on Tuesday, June the 10th our Eighth Grade will graduate and begin their high school careers. We wish them well and much success, knowing they received a very good foundation here at Incarnation-St. James School. We especially thank their teachers for all their hard work and dedication.

Once again, may the week ahead be filled with every grace and blessing. Thank you for always being so generous with your time, treasure and talents. Please pray for me.

*In the Love of Jesus,
Father Daniel, O.S.S.T.*

Comments from the 8th Grade...

"I just want to thank the parish for everything they have done to help our school. I also want to thank Father Daniel Houde, who has been a great leader and role model to the Incarnation-St. James school community."

Kyle Moore, Jr., Class of '08

"I am deeply thankful for attending this amazing school. The teachers here are so nice and helpful to me. The students are so kind – they are also hard working and always welcome to new things. They're great kids."

Courtney Thornton, Class of '08

"The Incarnation-St. James parish has done a lot for the good of my school. I highly appreciate all the generosity and selfless people of the parish and what they've given up for the education of Incarnation students. Giving donations and contributing to our school is something that can be admired by any student here at Incarnation. Especially for those who don't really have much financially. It's one of the most selfless things we can do as Christians – to give up what we could use for ourselves for the less fortunate. Thank you."

Sienna Boswell, Class of '08

"Dear Parishioners – Thank you very much for all you have done for our school. I've only been at Incarnation for four and a half years, but in that time you've done so much for the school. You've given us so much – donations, the science lab, the gym, and scholarships. Without your help, we wouldn't have the great benefits we have now...God bless you all!"
