“Intentional Family – Kindle the Fire”

We celebrate today the Epiphany of Our Lord. Epiphany literally means “becoming apparent” or “appearance.” On this day we celebrate the fact that the reality of Jesus Christ as our Lord and as the divine and human son of God becomes apparent and real to us. This manifestation is another reminder to us of how gifted we are.

In St. Paul’s reading to the Ephesians he makes note that he is a steward. He makes mention of the mystery that was made known to him through revelation. Mystery here means “a truth not obvious or known to us.” Paul is referring to our salvation through Christ.

Matthew’s gospel recounts the story of the Magi. What is revealed in the story is that their journey was not an easy one. They first went to a palace seeking the new born Christ Child, but soon discovered that His origins were much more humble. In spite of those humble surroundings they approached the Lord in awe and a deep sense of humility.

They brought the Lord those famous gifts – frankincense, myrrh and gold. These magi were people of incredible faith. These were people who did not just seek the Messiah but they recognized Him in Jesus.

What’s the best gift you have received this Christmas? How about the best gift you have given? Most likely, it wasn’t this year’s most popular must have gift. I am sure you chose gifts that would be more meaningful and useful.

There are gifts we treasure not so much because they are appropriate for us as recipients but because the giver has put so much love into them. Think of your child, grandchild, niece or nephew who made you a homemade Christmas card, or the pictures you received in the mail.

God is delighted when we offer Him what no one else can give: ourselves. No one can praise God in quite the same way as you. No one can follow Him down the exact same path. No one but you can love the same set of people. This is how we give Jesus a gift that fills Him with delight.

We return to school tomorrow after almost a two week Christmas vacation. I am sure the students will have lots of stories to tell.

As most of you know our numbers this year went down, therefore it has been difficult to meet some of our bills. We started in September with 130 students and have picked up three students since then. Another child registered before the Christmas break and will begin on January 5.

We are trying to get the message out there that our school is a wonderful place for your child to get an excellent education. Ask any of our parents who are sacrificing to send their child/ren to our school. Also look at our website www.isjschool.org.

We are having our annual Geography Bee. The preliminary round will be Wednesday, January 7th and on January 14th the final round. The student who wins this round will take a written test with a chance to represent the state.

January 19th Martin Luther King Day will be a school day. We also will be working on a service project since that is the purpose of this day.

On January 21st we will have Club Wednesday. We initiated Club Wednesday this year as an afternoon when the students were able to choose a club that they would like to join, e.g. sewing club, photography, dance, etc. Teachers volunteered to coach the students in the different clubs. They chose two different clubs and spent 45 minutes doing each one. Many of our students cannot stay after school because of transportation, so this is a way that they can belong to a club and show their talents.

The week of January 25th we will celebrate Catholic School’s Week. We will begin the week with the 11:00 Mass. Our school choir will lead the singing. We will follow the same schedule as last year with an Open House from 12:00 until 2:00 pm. Please come and take a stroll through our school.

Tuesday, January 27th we will have another Open House from 9:00 am until 11:00 am. Come and see our students working in their classrooms.

Wednesday, January 28th is one of the days that the students look forward to every year. It is our Green and Gold Day, a day of competition between the two groups. Every grade is divided into two teams a green team and a gold team. Then Mrs. Young, our Physical Education Teacher, gives each team points for each event. It is a lot of fun. If you are available that day come and join the fun. (Bring your ear plugs!!!) Our PTA treats the children and faculty to a Pizza Lunch as well.

Our ISJ Scholars and Student Council will prepare lunch on Thursday, January 29th for our faculty and staff.

Friday, January 30th our PTA will treat our students to a Magician Show in the afternoon.

Saturday, January 31st will be our First Electronic Bingo. You men out there come and try your luck at Bingo.

Thank you for all your prayers and support. We remember our parishioners as well each morning in our prayers. You are our greatest benefactors.

The **Monsignor Ronan Endowment Fund** is an ongoing fund that provides financial support to ISJ School in the areas of scholarship aid, educational programs, staff professional development and technological advancement. The Fund honors the years of dedicated service Monsignor Ronan gave to the school in his 25 years as Pastor. The Fund is separate from all parish accounts and operated by a Board of Trustees that manages the growth and expenditures of the Fund assets. If you are looking for a way to contribute to the parish consider a monetary donation, bequest, or gifting of stocks, bonds or other securities. For more details contact Peter Brennan through the rectory office.

The parish can not issue certification of eligibility for sacramental sponsorship if a person is not an active parishioner.

Jesus, the Light of The World

We invite you to honor the Lord in a very special way, by purchasing the Sanctuary Candle, the Altar Bread and Wine used at Mass and Altar flowers, in memory of a loved one or for a special intention or occasion.
