## From the Pastor's Desk

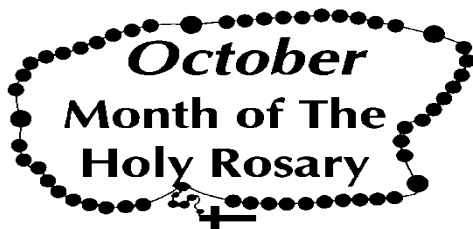

Dear Parishioners and Friends of ISJ,

*"This is the day the Lord has made and we rejoice and we are glad."*

With this celebration of the Sunday Eucharist, we begin the Church's Twenty-Seventh Week in Ordinary Time. Today's Gospel taken from the 21<sup>st</sup> Chapter of St. Matthew deals with the landowner who planted a vineyard who hires tenants that should be trustworthy and that additional servants will be able to obtain his produce, and that, when all else fails, treacherous people will respect the sacrosanct relationship of father and son. In short, the man is looking only for common decency. But in us even that fails. That is why Saint Paul pleads: "Keep on doing what you have learned and received and heard and seen in me." For at one time, he was like those murderous servants. But, converted to what is true, honorable, just, pure and gracious, he proclaims that we are the cherished vineyard to whom the Father sends His Son. As we approach the end of the Church's Year of Grace we will review the final days and weeks of Jesus' earthly life. This is a most powerful Gospel that should provide us with much in the way of meditation during the coming week.

Two great feast of Our Lady grace the Church calendar this coming week. On Tuesday, October the 7<sup>th</sup> we celebrate the Feast of Our Lady of the Rosary. It could be said that each mystery of the Rosary, carefully meditated, sheds light on the mystery of each human being. As the Psalms reminds us to cast your burden on the Lord and He will sustain us. To pray the Rosary is to hand over our burdens to the merciful hearts of Christ and His Holy Mother. The Rosary does indeed mark the rhythm of human life, bringing it into harmony with the rhythm of the life of God, in the joyful communion of the Holy Trinity, our life's destiny and deepest longing. Through the Rosary the faithful receive abundant grace, as though from the very hands of the Mother of the Redeemer.

Wednesday, October the 8<sup>th</sup> the Trinitarian Order celebrates Our Lady under the title of Good Remedy. Since the earliest days of the Community She has been invoked under this glorious title. In 1959, Blessed Pope John XXIII proclaimed Her principle Patroness of our Order. Always have recourse to our Blessed Lady under this title. She will always be a saving remedy for us no matter what the difficulty. This day is also Father Albert's birthday. We wish him well on his special day and pray that the year ahead is filled with every grace and blessing.

Our pilgrimage to the Shrine of St. Elizabeth Ann Seton in Emmitsburg, Maryland was truly blessed in every way. Touring the Lourdes Grotto on the campus of Mt. St. Mary's University and then sites made holy by America's first Saint was awe-inspiring. Even though the entire week-end was drenched with rain when we were visiting the holy sites, the sun shone brilliantly. In 1975 when Mother Seton was proclaimed a Saint, Pope Paul VI dispensed with a fourth miracle. Perhaps that miracle was given to us that special day. We ended our day with the celebration of the Eucharist at our Trinitarian Monastery in Pikesville, Maryland. A delicious dinner ended our day of prayer and relaxation. If you were unable to join us that day there will be other trips and pilgrimages planned in the future. For many of the pilgrims this was the first time visiting the Shrine and the Monastery. I am sure the Blessed Trinity and Saint Mother Seton will shower abundant blessings on our Parish and on our School! The day was also very special for me as I marked the 21<sup>st</sup> anniversary of my Ordination to the Priesthood which took place at Our Lady of Mt. Carmel in Asbury Park. How wonderful it is to remember that picture-perfect day surrounded by my family, especially my Mother, my friends and my Community. Anniversaries provide us with the opportunity to remember but also to renew our dedication either to our spouse or to the Church. It was truly blessed to celebrate that day in the presence of Mother Seton, founder of the Catholic School system in the United States. We are all sons and daughters of America's first canonized Saint.

I am happy to announce that the Stations of the Cross will finally be installed in the Incarnation Prayer Garden. They have arrived from Michigan and are ready to be set up. After they are in place all the donors will be notified for the final wording on the memorial plate. Then we can plan a solemn blessing and rededication of the Prayer Garden perhaps in the Spring either before or after the great days of Holy Week and Easter, a most appropriate time for the blessing. Also the statue of the Holy Family that graces the façade of the School will be completed with the words: THE WORD WAS MADE FLESH. This statue celebrates the great Mystery of the Incarnation of which our Parish and our School is dedicated. Also in the next few weeks the entrances of Incarnation Church will be cleaned and painted. And notice how beautifully the grounds of both Churches are being maintained. The hard work of our staff of Mack, Tim and Chris is certainly a wonderful thing. I have received many compliments on how beautiful and well-maintained our Parish property is. That is a testimony to the hard work and dedication of many people. May the good Lord continue to bless them all!

Finally, try to pray the Rosary every day, especially during this month of October. Our Lady has promised singular graces for those devoted to the Holy Rosary. The Rosary is our constant companion in life and at the hour of our death. Pray for us Queen of the Most Holy Rosary.

May the week ahead be filled with every grace and blessing. Thank you from the bottom of my heart for all you do to make our Parish so beautiful and so holy. I am forever grateful.

*In the Love of Jesus and our Lady,  
Father Daniel, O.S.S.T.*
