FROM THE DESK OF OUR PRINCIPAL, SISTER PATRICIA O'DONNELL, IHM

Just like Peter and the other apostles, Paul did not suddenly become perfect when he began to follow Jesus. He was a proud man and a very powerful Pharisee who persecuted the first disciples. Paul did receive many great graces and blessings as he made his missionary travels and preached the good news. Yet he also had to endure many sufferings like the mysterious “thorn in his side” that he mentions in today’s reading. I guess the purpose of this thorn was to keep him from thinking too highly of himself and taking all the credit for his success as an apostle.

Paul prayed and Jesus revealed a wonderful secret to him. When we cooperate with God’s grace, in our weakness God’s power is perfected. Imagine how happy Paul was to discover that “when I am powerless, then I am strong.” When Paul realized that what he saw as his weaknesses could be used by Jesus, he let go of his pride. He accepted the difficulties that came with serving the Lord.

At Incarnation-St. James School our main purpose is to serve the Lord in all that we do. One area we feel very strongly about is serving our students to the best of our abilities. In order for ISJ School to provide the best possible Catholic education; we worked long and hard this year to acquire funds to improve the technology experiences of our students. When the school doors open for the 2009-2010 school year, our school will be equipped with 8 new **Smart boards** and projectors. These boards will not be sitting idle in the classrooms collecting dust because our dedicated faculty has attended a 2 day workshop in June on how to integrate the Smart boards and other technology tools into the classroom and curriculum.

As Paul came to realize that he could not do it all on his own, ISJ School knows that we could not do it without the support and prayers of our parishioners. I am sure you realize this as you read the quotes from the Class of 2009. The faculty, staff and I cannot thank you enough for all that you do for us – ***without you we are powerless – with you we are strong***. Please know that each day of the school year we pray especially for our school benefactors.

If you ever have any time on your hands and want to come in to school to see how these new Smart boards help to make learning engaging and interactive, stop by – we would love for you to see them being used in the classrooms! Enjoy the rest of these summer days!

Comments from the 8th Grade...

“Dear Incarnation-St. James Parish – I thank you for all the years I have been here with a wonderful education, teaching me how to become a better Christian to others and myself. Your support gave us technology, like the smart boards – which are a big success, all the students loved them! The computers helped us a lot with research, and we type much faster because of our microtype skills! I’ll miss you, and may God bless you all!”

India Dixon, Class of ‘09

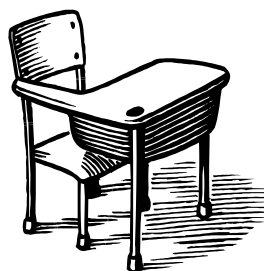

“Dear Incarnation-St. James Parish – I am writing you this letter on behalf of the 8th grade here at ISJ – We would like to thank you for what you have done for our school and our parish. From donating money, to helping out in the church and school, you have always been there for us.”

Jeff Dallariss, Class of ‘09

“Dear Incarnation-St. James Parish – Thank you for everything you have done for our school. Your support helps our school improve each and every day. Your generosity and contributions are appreciated a lot. God bless.”

Kiiyah Stokes, Class of ‘09

Our coordinator is Claire Peer, 883-1111. Our Pilgrimage Theme will be: **"A Pilgrimage of Hope."**

Bus departs Incarnation parking lot at 7:30 a.m. returns home approximately 10:00 p.m. Cost per person is \$45.00 and includes transportation and Smorgasbord at Cactus Willies Steak House in Maryland on return trip home.

ANNOUNCING...

...A PRO-LIFE

AWARENESS GROUP AT
INCARNATION-ST. JAMES

Why? What awareness is needed? The equality and dignity of all human beings whether they be elderly, disabled, or unborn is under growing assault.

- The FDA has approved a guide for the use of embryonic stem cells for human trial and the process is in place for your money to pay for it. Like in *The Matrix* this is using unborn babies as tools of production. Funding for adult stem cell research is being withdrawn. Embryonic stem cells have produced zero cures; adult stem cells are credited with over 80 cures. (Lifesitenews.com)
- The Provider Conscience Law that protects medical personnel from being forced to be involved in abortions is in the process of being rescinded.
- The Morning After Pill is being made available to 17-year olds without a prescription.
- The Department of Homeland Security has recently categorized the pro-life movement with "right-wing extremism in the United States."
- Pro-Life groups are being shut out from federal summits concerning health care reform.
- U.S. tax payer dollars - your money- now goes overseas to fund abortions and pro-abortion groups. In the process, we are forcing many of these foreign nations to permit abortion in order to receive financial aid.
- Freedom of speech, thought, and religion are under attack in formalized government proposals and actions such as the Freedom of Choice Act. Although this Act is under heavy public opposition, we need to be vigilant that individual provisions from within it are not slid into other legislation.

The Pro-Life awareness group is intended to raise the consciousness of the parish regarding the increasing challenges to the right to life that affects not just unborn babies but all of us. Look for announcements of legislation, speakers, or information events. Interested in participating or learning more? Contact Our parish Respect Life Chairperson Ruth DeFalco at Life@IncarnationStJames.org or 609-882-6480. Deacon Frank Golazeski at Frank@IncarnationStJames.org or 609-538-8727.

Come to our introduction meeting at Incarnation Parish Center 7 PM July 16th.
