From the Pastor's Desk

Dear Parishioners and Friends of ISJ,

"This is the day the Lord has made and we rejoice and we are glad."

With this Sunday celebration of the Eucharist we begin the Fifteenth Week in Ordinary Time. A common factor in these Summer Sundays is that the Word of God is unusually rich with valuable lessons on how to be a true disciple of the Lord Jesus. Since the conclusion of the Easter Season in mid-May the Gospels have concerned themselves with the following of Jesus, the cost of discipleship.

Every Summer the Liturgy renews the call to follow the Lord Jesus more intimately. Beginning this Sunday and continuing for the next few weeks we will study the various Parables of Jesus. Most of these parables deal with planting and harvesting the Word of God. How appropriate than at this season of planting and growing. Many times throughout the Church Year the Liturgy takes its cue from the world of nature. Today we read that the Word of God comes down from the heavens like rain that falls to water the earth, "making it fertile and fruitful." God's Word is the source of life itself. We are waiting for the work of the Word in those lives. The seed the sower sows is the Word of God. All depends on how receptive one is to this Word. Will we disregard the Word of God when it comes our way? Will we receive it in a shallow way? Will we let worldly concerns choke it off? Penetrating questions the Eucharist asks of us this Summer Sunday!!!

Two important Feast Days occur this week in the Church's Liturgical calendar. Monday, July the 14th we celebrate Blessed Kateri Tekakwitha, often called the "Lily of the Mohawks." She lived in that part of the United States called "New France" which extended from present day Albany, New York, past Quebec. French Jesuit Missionaries began to work among the Native Americans and Kateri from a young age embraced the faith, being baptized on Easter Sunday. However she was only one of a few and also a bout with Small Pox as a girl left her somewhat disfigured, and because of her Catholic Faith and physical condition, she was marginalized from her tribe. Her Shrine is in Fonda, New York, outside of Albany, and it is a popular place of pilgrimage along with the Shrine of the North American Martyrs not too far away. Progress is being made in efforts to have her proclaimed our Nation's first Native American Saint.

Wednesday the 16th of July we celebrate a Feast which is the dearest to Our Blessed Lady, Our Lady of Mt. Carmel. The most popular title of any Church in the United States named after Our Lady is Mt. Carmel. It was on the 16th of July in 1858 when Our Lady last appeared to the Shepherdess, Bernadette. Later Bernadette would write in her diary that on that day "...never did She look more beautiful!" Today are commemorated the favors granted to the Brothers and Sisters of Our Lady of Mt. Carmel, successors to those early Christians who built a chapel in Her honor on the famous mountain in the Holy Land. When I visited Israel in 1995 it was indeed one of the loveliest spots there. The institution and habit of the Carmelite Order as now known are due to Our Lady's instructions first to St. Simon Stock and later to Pope Honourius III. Mary promised special protection in life and after death to all who adopted the rule of life and wore Her habit, the Brown Scapular. Those who foster a strong devotion to Our Lady of Mt. Carmel are very familiar with Her promise to deliver from Purgatory on the first Saturday after death anyone who dies wearing Her Scapular. There is noting magic about the Scapular but it represents our desire to live closely to God and to follow the way of His commandments. We can use Our Lady's Feast to beg Her intercession to keep us close to Her Son, Jesus throughout our lives but especially at the hour of our death.

I pray that the week ahead be filled with every grace and blessing. Once again, thank you for the gifts of your time, treasure and talents which you so freely give in the Name of Jesus. By the way, I hope you like the landscaping in front of Incarnation Church. It gives our Parish real "curb appeal" from Pennington Road. Your continued generosity makes these miracles continue to happen. A thousand times, THANK YOU!

*In the Love of Jesus and Mary,
Father Daniel, O.S.S.T.*

Hospital Visitations

If you or a family member are hospitalized and would like a visit from one of our priests, please call the rectory to inform us. Many times parishioners are admitted to the hospital and we are unaware of this. Because of the "Privacy Act" passed several years ago, hospitals and other health care facilities cannot inform the parish if a parishioner is being treated there. **PLEASE DO NOT RELY ON THE GRAPEVINE THEORY** and assume that we know that you or a family member is in the hospital or has been admitted to a long-term care facility. We cannot visit if we are unaware. Visiting the sick and homebound is an important part of our priestly ministry and we are most glad to do so.

RELIGIOUS EDUCATION PROGRAM

Important Reminder! Return your Re-Registration form for the 2008-2009 school year so we may place your child/ren in the CCD Program for next year. Please contact our Director of Faith Formation, Sister Mary Ellen Diehl IHM, if you have any questions or need a new form at 609-882-8989.

ROSARY ALTAR SOCIETY

It's not new News, but it's important to mention it again. The **BAKELESS CAKE SALE** brings to mind **YOU** and your generous response to this summer fundraiser. Instead of baking a cake, make a donation to the Rosary Altar Society. This idea saves time, energy (both yours and the utility companies) and imagination to create a masterpiece. Relax and enjoy the summer days! Place your donation into an envelope marked Bakeless Cake Sale and deposit the envelope in the collection basket or mail/take it to the Rectory, What a restful way to support the Society!
