From the Pastor's Desk

Dear Parishioners and Friends of ISJ,

"This is the day the Lord has made and we rejoice and we are glad."

With this celebration of the Sunday Eucharist, we begin the Twenty-eighth Week in Ordinary Time. Believe it or not next month we begin the holy Season of Advent and our preparation for the coming of Jesus at Christmas! I know I am rushing the season but time is just flying by! And once again on this Autumn Sunday the Gospel is taken from the 21st Chapter of St. Matthew. One of the most terrifying aspects about the gift of freedom is that it leaves us the option of rejecting God. God prepares an irresistible wedding feast and invites us to it... but so often we refuse. This is the phenomenon of impenetrability: the refusal to let ourselves be struck even by the most beautiful thing that is put before us. We prefer instead to let ourselves remain all closed – we do not let our "I" be touched by anything, even the "You" of God. Nonetheless, God will never cease providing for all peoples this rich feast of His Son which we know as the Eucharist. For true happiness comes when I realize that "I can do all things in him who strengthens me." Let us rejoice and be glad that the Lord has saved us.

The parable of the Wedding Feast to which we are all invited provides us with a rich fare for meditation this Columbus Day Holiday Week-end. As we are coming to the end of the Church Year of Grace and also to the end of the life of Jesus, the Gospels are marked by that realization that time is growing short and the need of repentance is real and genuine. Today is also a very special day for me. Twenty-one years ago this very day I celebrated my First Mass of Thanksgiving at my home Parish of St. Rose de Lima in Chicopee, Mass. What a grace-filled day it was! My Mother and Father who had been divorced since 1974 and who were very angry and hurt with each other came together on that holy day and were reconciled at the Altar of God. I called them forward after Holy Communion and introduced them as my Parents and for the first time in many, many years they held hands! What a moment of grace that was! It is true that with God all things are possible if you have faith. Both my Parents are now living with Jesus and enjoying the wedding banquet of which we read this Sunday. What a joy it will be to see them again.

Tomorrow, Monday, October the 13th we remember the anniversary of the great Miracle of the Sun when Our Blessed Lady appeared to the three children at Fatima. When She first appeared in May, Our Lady promised to perform a miracle so that all would believe. That day, in 1917, was pouring rain and about two in the afternoon Our Lady came for the last time and Lucia asked for the promised miracle. Our Lady raised Her arm and rays of light struck the face of the sun and for almost fifteen minutes the sun "danced" in the sky and then started to zigzag toward the earth. Over 75,000 people witnessed this great sign from Heaven and the miracle was seen over fifty miles away. While the sun was "dancing" Our Lady appeared as the Virgin of Mt. Carmel and St. Joseph appeared holding the Child Jesus and blessing the world.

Fatima is now one of the most visited shrines in the entire world. We have the very beautiful statue of the Virgin of Fatima on the Incarnation campus both on Pennington Road and again in our prayer garden. What a wonderful witness to those who drive by on that very busy road. I have received many compliments on how beautiful the parish grounds are and in particular how beautiful the Fatima Grotto is. It is illumined all night long so all can pass by and utter a prayer. Especially during this month of the Holy Rosary, October, we should pray daily the Rosary in order to obtain peace in our world, in our families and Church, peace in our hearts and souls. Devotion to the Holy Rosary is a sure sign of our intense love of God. No one can say the Rosary and remain in sin for long. Queen of the Most Holy Rosary pray for us now and at the hour of our death.

This Wednesday is the Feast of St. Teresa of Avila (of Jesus). Teresa was born in Avila, Spain in 1515. She became a Carmelite Nun and made great progress in the way of perfection, and enjoyed mystical revelations. When she reformed the Order, she met with much resistance, but she succeeded with undaunted courage. She also wrote books filled with sublime doctrine, the fruit of her own spiritual life. In 1970, Pope Paul VI proclaimed her to be a Doctor of the Church, a title never, until that time, conferred on a female saint. The Little Flower, St. Theresa of the Child Jesus and St. Catherine of Siena are the others in this illustrious rank.

This week concludes with the Feast of the Gospel writer, St. Luke on Saturday. Converted to the faith of Jesus, Luke became a fellow worker of the apostle Paul. From St. Paul's preaching he compiled the Gospels. He handed down an account of the beginnings of the Church in another work, the Acts of the Apostles, which tells of events up to the time of St. Paul's first stay in Rome. On this Saturday, we also welcome members of the Third Order who will spend the day at St. James on a Day of Recollection. Members are coming from several States under the direction of Tina Krook from Our Lady of Mt. Carmel in Asbury Park. The Third Order is a vital part of our Trinitarian Family and we warmly welcome them to our Parish Family.

May the week ahead be blessed in every way for you and for your family. And, once again, thank you for the generosity and love you shower upon our Parish.

*In the Love of Jesus and our Lady,
Father Daniel, O.S.S.T.*
