Dear ISJ Family,

If Catholics are not even willing to give one hour a week to God in praise and thanksgiving, chances are they will not be very generous with their time, talent and treasure in other areas. For Catholics, the Mass is one of the most important forms of prayer and communication with God. As we kneel before the Eucharist daily or weekly we should ask God what He wants us to do with the gifts He has given to us.

If the work that we do as a parish community is not grounded in the Eucharist then we can easily become little more than a private social club – giving time, talent and treasure for our own needs, interests and activities rather than for the overall mission and ministry of the Church.

Stewardship takes great faith. When we spend time with God in the Eucharist our faith grows and He empowers us to go out and live as His faithful stewards. Without the support of the Eucharist, living as a good steward can be an overwhelming challenge in today's busy and materialistic society.

Here at the celebration of the Eucharist Jesus renews his covenant-forming act of perfect fidelity to God, while also making it possible for us to cooperate. In the Eucharist, Christians reaffirm their participation in the New Covenant; they give thanks to God for blessings received; and they strengthen their bonds of commitment to one another as members of the covenant community Jesus forms.

On a more practical note, good Mass attendance leads to better stewardship. I encourage parishioners to include Mass in their special family celebrations – whether it is landmark birthdays, anniversaries, comings and goings or other events.

I would like to consider a section in the bulletin recognizing those who are celebrating a special event or a mention from the pulpit at the beginning of Mass. When speaking or writing about greater Mass attendance, here

are some points that might help. We don't necessarily go to Mass for our own personal enjoyment or fulfillment. We go to praise and thank our God who has given us many wonderful blessings.

As members of the Body of Christ, we need to be connected. A severed hand is no good to the body. Mass helps us to connect with Christ and with each other. In our busy society, it is difficult to find time for Mass.

We must make that time. God asks us to give the first and best to Him. This includes giving the first hours of our week to Him through participation in the Eucharist. "Keep holy the Lord's day," is still a commandment. It is difficult to be the face of Jesus in the world, if you don't spend some time connecting with Him in the Eucharist. The Eucharist is a banquet to which Jesus has personally invited each of us. How often should we refuse His invitation?

The simple act of taking off your watch and leaving it on the dresser before going to Mass can be a symbolic gesture that the time in Mass is a gift of time that you are giving to God. The Eucharist was so important to Jesus that it was His last gift to us before His death.

How can we say that we love Jesus yet do not appreciate this incredible gift that He left for us. The beauty and power of the Eucharist relies on the fact that Christ is waiting for us at each Mass. The Eucharist is food for our journey, food for our soul. It is in celebrating Mass that we experience God's life, love and forgiveness. The most important thing for any Catholic should be participating at Mass at least once a week. The Beauty and Power of the Eucharist Celebrating Mass is and should be the most important thing we do as Christian Catholics. The Eucharist is indeed the peak and summit of Christian life.

In Christ,

Fr. Santhosh George OSST

If you would like to meet with Fr. Santhosh after Mass for a blessing or other need, please call Nina in the Parish Office.

Thank you for your ongoing Catholic Stewardship and support of the Incarnation St. James Parish. Nothing can be done without you and your participation and generosity in time, spirit, and financial support.

**Capital Singers Concert with Orchestra – May 17, 4 pm,
Sacred Heart Church, Trenton.**

On May 17th at 4 PM at Sacred Heart Church, South Broad St., Trenton, the 80 plus members of Capital Singers of Trenton will perform a concert accompanied by a 19-piece orchestra to conclude the chorus's 9th season. The concert will highlight and contrast two settings of the traditional *Te Deum*, one composed by Franz Joseph Haydn around 1799 for the Empress Marie Therese, the wife of Franz I of Austria. and one composed by Mark Hayes in 2004 for Wayland Baptist University. The hymn *Holy God, We Praise Thy Name* is a paraphrase of the *Te Deum*.

The Capital Singers will complement the larger works with additional pieces by Haydn, Hayes, Franz Beibl, and Stephen Paulus. The chamber orchestra, featuring harpist Elaine Christy, has been assembled uniquely for this performance. Its members have played with many respected orchestras throughout the region including the Sinfonietta Nova, the New Jersey Capital Philharmonic, the Warminster Symphony, the Riverside Symphonica, the New York Pops, the Orchestra Society of Philadelphia, and Princeton Symphony Orchestra. Many of our own Choir members and staff sing with Capital Singers and we would love to have your support.
