ISJ is a Great Place to Get Your Start!

From the Pastor's Desk

Dear Parishioners and Friends of ISJ,

“O Roma felix, quae duorum principum Es consecrata glorioso sanguine.”

“O happy Rome who in your martyr princes’ blood, a twofold stream are washed and sanctified.”

With these words the Liturgy introduces today’s great Solemnity of the Holy Apostles Peter and Paul. Only every six years or so does this Feast fall on a Sunday so this year we are very blessed to celebrate the Apostles’ Feast on this Lord’s Day. The Apostles Peter and Paul are the two Princes of the Apostles, the foundations of the Church on which She is firmly established as on a rock. After the descent of the Holy Spirit at Pentecost, Peter preached the Gospel in Jerusalem and was imprisoned by Herod Agrippa. He was miraculously delivered by an angel and established his See first at Antioch, and then finally at Rome, where the first Pope exercised for twenty-five years the supreme authority vested in him by Jesus Himself. Then he was arrested and like his companion, St. Paul, suffered martyrdom perhaps in July of 64 AD during the reign of the Emperor Nero. Popular legends have it that Nero wanted to do some improvements to certain sections of Rome and in order to do so had to clear those sections of citizens, so he set them on fire. Not wanting to take the blame, he blamed the new sect called Christians and had its leaders arrested and tried on suspicion of arson and civil disobedience.

Among them was Simon Peter. They were quickly found guilty of the charges and were sentenced to be put to death. Peter was crucified upside down because he did not feel worthy to die like his Master. The site of his death was Mons Vaticanus or the Vatican Hill. He was hurriedly buried by some Christians who were practicing their faith in secret and his grave quickly became a place of pilgrimage. The Emperor Constantine erected a small arch over the grave, which later in time became a small funeral chapel to the present grand and glorious St. Peter’s Basilica. Directly under the soaring dome of the Basilica is the burial place of the Prince of the Apostles. In February, 1946 during the reign of Pope Pius XII, he was awakened in the middle of the night and was told that workmen excavating under the Basilica chanced upon the grave of St. Peter. Pius took the holy relics and kept them in the Papal Apartments. In 1968 Pope Paul VI had them studied by forensic doctors and came to the conclusion that they were indeed those of Peter. He returned them to the burial site and there they can be venerated to this day. When Pope John Paul II was nearly murdered in May of 1982 he ordered the relics to be brought to the hospital where he was recovering and placed by his bed.

Every five years all Bishops are required to go to Rome to meet the Holy Father and give a report on each of their Dioceses. Part of that visit is to the tomb of St. Peter directly beneath the main Altar. It is called the “ad Limina” visit, or visit to the threshold of the tomb of the Prince of the Apostles. Bishop Smith made his visit a couple of years ago.

Today we also begin the Pauline Holy Year asked for by the Holy Father to celebrate the two thousandth anniversary of the birth of St. Paul. For the next twelve months study and prayer of the writings and influence of this first great Christian Missionary will be abundant.

Every Sunday, with few exceptions the Second Reading at the celebration of the Eucharist is taken from one of St. Paul’s Epistles. Paul of Tarsus was first a great persecutor and made havoc of the Infant Church. Miraculously converted, Paul began his three great Apostolic Voyages and wrote his famous letters. After a captivity of two years Paul came to Rome and traveled to that part of the Church situated beyond Italy. He was beheaded in the year 65AD. According to the legends, when he was beheaded, his severed head bounced five times and five springs of milk appeared. For this reason, St. Paul is considered one of the Patron Saints of dairy farmers.

This great Solemnity gives each of us another opportunity to renew our love of the Church of Jesus Christ and our loyalty to our Holy Father as the Vicar of Christ.

This Thursday, July the 3rd we celebrate the Feast of St. Thomas the Apostle, his doubting of Jesus led to his great profession of faith: “My Lord and My God!” Even though we are in the heat of Summer, this Feast Day brings us back to Easter as we recall that wonderful scene in the upper room where the Risen Jesus appears as proof of His rising from the dead. With Doubting Thomas we acknowledge Jesus as Lord and God.

This Friday, of course, we celebrate the Fourth of July. We should try, on this great holiday, to attend Mass and offer our prayers of thanksgiving for the tremendous gift of hard-won freedom and pray for those who still struggle to keep us free. Masses on the Fourth of July: St. James at 8AM and at Incarnation at 9AM. We remember those who died to make us holy and who died to make us free.

Finally, for the months of July, August and September the Parish Council asked to have Adoration Day of the Blessed Sacrament moved to the Thursday BEFORE the FIRST Friday with the hopes of attracting more people to spend time in the presence of Jesus. Also we are extending the time of adoration until 7PM with Evening Prayer and Benediction of the Blessed Sacrament. So for these months adoration will begin after the 6:45AM Mass and continue until 7PM, concluding with Evening Prayer and Benediction. So please note the change of day and time for these next three months.

May your week be blessed in every way and your Fourth of July be happy and safe.

*In the Love of Jesus,
Father Daniel, O.S.S.T.*
