***FROM THE DESK OF OUR PRINCIPAL, SISTER PATRICIA O'DONNELL, IHM***

Is it just me or are there a lot of potholes in the roads around Ewing and Trenton? Olden Ave? Hamilton Ave? Princeton Ave? I think John the Baptist would love to talk to our present day engineers about how to make our paths straight and pothole free! He is in the business of straightening roads, even if they are spiritual and moral roads. It seems to me that John is God's engineer.

John wants the people to prepare their hearts so the Chosen One can move right in – on a smooth road – into a heart that is warm, welcoming, and full of love for Him. John demands that the people of his time, and the people of today, build this type of highway instead of the crooked roads that the scribes and Pharisees, and their compromising lives, have built.

And John wants solid construction. Like a good engineer he wants deep excavation and bedrock foundation. He wants compact and smooth surfacing. In spiritual terms, he wants real repentance and a renewal of heart. He wants proven virtue and single-minded preparation for the coming of the Lord. He challenges the people to straighten their crooked faith, smooth out their ragged moral lives, level the hills of their pride, and fill in the valleys of their failures and selfishness. Then the coming Lord may drive effortlessly into their hearts, and they will receive "the salvation of God."

We are all preparing for the coming of Jesus into our hearts at Christmas. We know full well that Christmas is a cluttered time even filled with gridlock. We know that this wonderful season has become the crazy and anxious time of the year. It is for us a real challenge to prepare the way of the Lord into our hearts at Christmas. But if we don't, Christmas is robbed of its true meaning and purpose. So let us take up the challenge of John the Baptist and "prepare the way of the Lord." Let us allow our Savior a straight, smooth, and graceful run into our hearts.

At Incarnation-St. James School we are trying to help our students prepare their hearts and minds for God, the Chosen One. We guide them and share the knowledge and skills they will need so they can avoid life's potholes. We help our students choose to travel upon the straight, smooth road to the Lord. Right now we are in the midst of preparing to receive the sacrament of Penance during this wonderful Advent Season, as well as putting on the final touches to our Christmas show. Come join us on Wednesday, December 16 at 7:00pm!

Many blessings to you during these Advent and Christmas seasons. Sister Patricia O'Donnell, IHM

***WHY I LOVE ISJ SCHOOL***

ISJ is such a great school. We have a rich tradition of Catholic traditions such as Friday liturgies, Advent wreath, Thanksgiving prayer service, and the May crowning. We strive to provide strong academics with drill, challenges, and loads of fun. My fourth graders use a variety of tools such as Dynamath, New Jersey weekly, role-playing, plays and games to reinforce our studies. The classroom Eno board is fantastic! The students love writing in different colors and playing computer games. I enjoyed this school when I was a student here and I still love coming to school each day. We have a beautiful campus and a devoted teaching staff. I only wish we had computers, music, art, and gym when I went here.

I'm very proud that our school participates annually in the National Geography Bee. Four times we have made it to the state finals. I know someday we will win there and go on to the nationals. It's great to see students involved also on teams, in choir, drama clubs and Scrabble/Chess clubs. Come share our spirit and have an educational adventure that will last a lifetime!

***Kerry Cahill, ISJ 4<sup>th</sup> Grade Teacher and Social Studies Coordinator***
